

Easy Access Agreement 2023

Copyright at your university

Your university use of the Easy Access agreement (WO) of UvO. This buyout agreement makes it easier than ever to use and reuse copyright-protected material. Read all the conditions here.

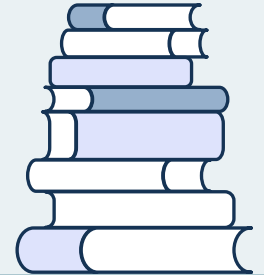

Valid from 1-1-2023 to 31-12-2025

40 pages

You can freely use up to 40 pages in your lessons, provided it is not more than 20% of the original publication. These can be chapters, articles from magazines and newspapers, excerpts, etc.

40+

Images

There is no maximum for images in publications or presentations (PowerPoint, Prezi, etc.). However, there are two conditions: you may use no more than 10 works by the same creator and no more than 25 images from the same work.

40+ pages?

Do you want to reuse more than 40 pages - or more than 20% of a work? That is also possible. Inquire about obtaining additional permissions with your university's Copyright Information Point (AIP).

Paper and digital

The format in which the material is made available does not matter. Hardcopy readers or online learning environments (such as Teams or Blackboard) are all covered by the agreement.

It is also possible to request permission directly via our portal:
